

# **Grand International Wing Tsjun Intensive Week & SummerCamp 2015 at the BDS HQ from 22<sup>nd</sup> to 28<sup>th</sup> June**

Dear BDS members,

From the 22<sup>nd</sup> to the 28<sup>th</sup> June, a four day intensive Wing Tsjun seminar with GM Boehlig will be held at the Langenfeld Wing Tsjun Academy, followed by this year's Summercamp at the international headquarters of the BDS in Leichlingen, Germany.

Apart from first-hand tuition given by the highest masters of the BDS, seminars with renowned speakers and the meeting of old and new Wing Tsjun friends from all over the world are only some of the highlights of the event. Also the evening event on Saturday at the Leichlingen WT Academy will be remembered for a long time.

In addition to GM Boehlig's classes, also Sifu David Martin-Pascual (5th PG) will host practical parts of the event. As a special treat, we managed to invite Hongkong-born Sifu Leo Au Yeung as a guest teacher. Sifu Leo Au Yeung earned fame by his role of technical advisor and stunt choreographer in the Ip Man movies with Donnie Yen.

Sifu Leo is a direct student of GM Ip man's oldest son GM Ip Chun and runs schools in England. We are looking forward to experiencing Wing Chun (Wing Tsjun, the way GM Ip used to teach it) and to discover differences and similarities.

## **Student & technician grade examinations can be taken by those who:**

1. are sufficiently prepared in their training program
2. participate in the whole intensive week (Monday to Thursday) or in the whole SummerCamp (Friday to Sunday).
